Stand design specialists

We endorse proven experience in the design of stands. Many important companies put in our hands their exhibition booths projects year after year. A proven track record in construction of stands sector makes our rigorous punctuality in the execution and delivery times and therefore the satisfaction of our customers.

Stand design

Grupo ALC is specialized in stand design, and therefore we ensure that the stand is directly to suit the needs of your company, no more, no less. During the course of our work, we will provide 3D preview (render), for you to follow the evolution of the project, and may be part of the design process before giving the final touches to your booth.

We are able to translate and implement any ideas you have.
Bring your ideas to Grupo ALC and we will return a booth just as you imagined.

Commitment

The commitment to our work goes beyond delivering the stand, we remain throughout the duration of the Fair willing to assist you and solve any need or problem that may arise.

Grupo ALC expanded its facilities with an additional 1200 m2 more, to continue providing the best service to its customers.

Complete Service

Grupo ALC provides a complete service includes design, construction and assembly of stands for that you do not have to worry about anything.

We have our own workshops, where we produce and we shape each element to the perfect realization of the project. We have a highly experienced team made up of designers, carpenters, painters and electricians.
