RED WINE / AUTOR

Bodegas Luzón is the leader in the making and in the export of quality wines from the D.O. Jumilla (Murcia, Spain). Bodegas Luzón was established in 1916 and has more than 500 hectares of its own vineyards, with several prestigious varieties such as: Monastrell, Tempranillo, Cabernet - Sauvignon, Merlot, Syrah, Petit Verdot as red grapes and Macabeo and Chardonnay as white grapes. Since the Fuertes family (www.grupofuertes.com) bought Bodegas Luzón in 2005, they began the difficult and costly process of undertaking a program of modernization, unprecedented in the region. The production process for quality control was greatly improved through the acquisition of pneumatic presses, cooling systems, autovinifiers and high-tech laboratory.
