PURA SANGRE

Dry red wine 2006 Reserve.

Cepage: Monastrell grape 100%

16% Vol.

Late Harvest

Four years ageing in oak.

Dark maroon colour with red tile highlights, dense and generous odour, with pronounced tints of prune. Warm taste, spirituous with corps. Its glyceride richness together with its ageing in oak it gives the differentiating features that makes this wine differentiate from other one in the world. Bouquet of great lineage.

Pairing: Tasty dishes from the Spanish rich cuisine, Roasted meals, game meats and cured cheese, it also pair well with cocktails and snack meals.

We recommend uncork the bottle two hours before consumption.

Serving temperature: 18 ° approximately.
