KINSY, S.L.

Tax ID Number: B30296990

This company's business activity is centred in two main areas: synthesis through pharmaceutical intermediates and scaling processes for the manufacture of pharmaceutical intermediates and reactants. Due to its small size and efficient organization, the firm can offer quick, flexible and competitive responses to customer needs. Kinsy is an independent firm, dedicated to synthesis of specially-tailored fine chemicals and chemical specialties, with a diverse set of technical possibilities. In addition, product quality has been approved by ISO 9001:1994 certification.
