

EXPLOCAN, S.L.

Tax ID Number: B30632434

Explocan was founded in 1965 with the aim of producing and distributing natural stone. It has maintained its traditional spirit while incorporating advanced technological processes that guarantee the maximum quality of its materials and finishes.

Currently, its productive sections allow for it to control the entire natural stone cycle, and it is one of the reference companies on an International level in the creation and distribution of unique spaces.

Explocan represents a new concept in natural stone, combining nature and art.

Its International expansion has allowed Explocan to position itself in the European, Asian and Arab markets.

The company offerings range from the supply of blocks, slabs, tiles or special pieces made of all types of marbles and granites, to the completion of exclusive projects for interior designs.

Explocan is a reference in International projects, such as Hotels, resorts, airports, public spaces, anywhere that natural stone architecture is supported by straight edges.
