SUINTA

Tax ID Number: B30230163

Suinta is a company who knows how to combine to perfection two essential virtues such as inspiration and method. Suinta, has made itself thanks to the commercial and business instinct of their workers. Suinta is a self-taught company that sells quality sofabeds and that has a product catalog that is renewed on an ongoing basis.

It was founded in 1990 in Yecla, Murcia (Spain), located in its 8000 sqm facilities where the most modern machinery and manufacturing systems have been incorporated.

It is a leader in the national market for the manufacturing of sofa-beds, providing ideas and solutions for rest, as much for the general market as for Contract

It is a totally consolidated business project, as shown in some of the information about our production (we are currently making 20,000 units per year), invoicing and solvency.

The main goal of Suinta is to offer solutions to the customer who seeks a sofa bed. Thanks to our experience in this sector, we know the customer needs versatility for a limited space, with a small sofa and a big bed. To find it, our catalogue offers infinite solutions and measurements. In order to keep offering the best service, we are enhancing the use of easy drycleaning materials, such as micro-fibres, thin canvas or cotton, specially designed for the well-used upholstered furniture. Suinta's aim is to take care of the smallest detail to offer a good product.
