

MAQUINARIA INDUSTRIAL ROBOTIZADA PACK, S.L.

MIRPACK

Tax ID Number: B73480774

Mirpack is a company founded in 2006 and is the outcome of many years of activity by JCP, which began its operations in the 80's. Its experience and prestige are backed up by more than 25 years in the business. During this period of time Mirpack has consolidated itself as a specialist in both vertical and horizontal packaging equipment, check weighers, metal detectors, line ends, cartoning, sorting and lastly palletizing, adapting to the specific needs of every one of our clients in diverse areas of activity. So far, over 1000 machines have been installed and distributed all over Europe, America, Asia and Africa.
