

AGEDOS BUSINESS DATACENTER, S.L.

AGE2

Tax ID Number: B73615650

This company was set up in order to give a specialised answer to business IT needs. To do this, we have a select group of people with great human qualities and experience, capable of providing the best solutions based on indepth knowledge of technologies and business consulting needs.

In 2015 and seen the demand of the market in the area of Informatic Security, a Division is created specialized in this area with the germ of the business unit born in the origins of AGE2
