PLASBEL PLÁSTICOS, S.A.

PLASBEL
Tax ID Number: A30563118

Plasbel Plásticos SAU has a long experience as a plastic film manufacturer, specialized in refuse sacks and point-of-sale bags, mainly for wholesale chains, cleaning companies, industrial uses and public sector organizations.
The quality of our products is guaranteed by our In-house laboratory, with continuous tests and traceability systems. We also count on various AENOR certifications regarding our company and products. New products are regularly developed by our in-house I+D department.
Plasbel is concerned about the environment. We use our own in-house recycled material, so we can be sure of its quality. We also develop new materials such as biodegradable, oxo-degradable or compostable plastics.
Rubbish bags for domestic or professional use. Non-drip side sealing, three-layer co-extrusion material, with reinforced, tear-off perforations for easy dispensing. Clients¿ requirements comprise packaging, either outer bag or paper band; drawstring tape closure with 2 or 4 handles, or open top; plain or printed designs; scented or non-scented. We also have regular production always in stock.
It¿s not just a bag. It¿s Cutting Edge Technology.

Address

Polígono Industrial Oeste. C/ Venezuela s/nP6/8-6/10
30820 Alcantarilla
Murcia (Spain)

Telephone: +34 968894678
Fax: +34 968892230
Web: www.plasbel.com

Manufacturing Process

Coextrusion of polymers of ethylene, which are transformed into three-layer material and then into rubbish bags. The quality of our products is a consequence of the quality of our materials, machinery and processes.

Key Differentiating Features

Quality, technology and professionalism define us. Our main assets are a complete customization of our products, short time lead and fast delivery from our warehouses and quality control testing systems, as well as our In-house laboratory.
