PRODUCTOS BIONATURALES CALASPARRA, S.A.

PROBICASA
Tax ID Number: A30201107

The company was established in 1990 with the aim of carrying out a pioneering and ambitious project in the area, resulting in the production of foodstuffs using organic fruits and vegetables. Taking advantage of the area unique¿s natural resources to develop this kind of crop, as well as the excellent conditions of the Mediterranean climate, allow us to obtain superb quality products free of contamination.

From the beginning we deeply committed ourselves to use an organic, healthy quality product from its origins. Eventually, we verified that we were right. Nowadays, this kind of production is already part of food trends all over the World. Above all, it is the ideal complement to the best diet in the World, the Mediterranean diet.

During these years, our work experience has allowed us to achieve a privileged position in the area of production of organic and traditional foodstuffs, as well as industrial food. All in all, as a result of our constant R&D&I works we develop new and innovative products.
