

JUAN JOSÉ ALBARRACÍN, S.A.

Tax ID Number: A30004790

Founded in 1854, this is the Region of Murcia's oldest producer of paprika and paprika oleoresins. Cultivating paprika is a centuries-old tradition within the region, and in JUAN JOSÉ ALBARRACÍN, S.A., the most traditional processes are combined with the most advanced technology in the industry. The care and skill that the firm puts into paprika production begins with selection of the very best seeds. From the seed, the plant's development from planting in May to harvest in September and October is very closely monitored, applying the most modern growing techniques and strictest quality control through all production processes. The result is the highest quality paprika, which is prestigiously recognized throughout the world, as demonstrated by the high number of international customers.
