

AGROVIC ALIMENTACION, S.A

Tax ID Number: A58596628

The company founded in the sixties and located in Molina de Segura (Murcia). Its main activity is the production of chicken products and by-products, which are marketed under the name Pimpollo. Agrovic, with a staff of about 1,500 people and production plants in Catalonia, Levante (Eastern Spain), the Basque country, Galicia and Andalucia, offers top-quality service both in the national and international markets. The working philosophy at Agrovic is based on offering clients top quality products and services. The company, which raises over 76 million fowl a year and has a market share of 25%, is a leader in the Spanish market and, in terms of production volume, ranks 3rd in the European market. Agrovic Alimentación S.A. has a vertically integrated structure that favors control over the entire production process (i.e. the company makes the fodder used to feed their chickens, which are later used for the manufacture of processed products). Agrovic Alimentación S.A supplies retailers and wholesalers and has an infrastructure comprised of their own fleet of refrigerated trucks and modern facilities, combined with the highest standards in quality and service in order to ensure customer satisfaction.
