

INGENIERIA ELECTROMECHANICA MURCIANA,S.L.

INEMUR

Tax ID Number: B30226625

Due to INEMUR's 25 years of experience and with over hundred of installations around the world, INEMUR has a great reputation providing the solutions related to the design of engineering projects and manufacturing, installations and automation of equipment and complete lines for the handling of containers, packaging and storage processes.

Through innovative and efficient solutions, we provide to our clients important improvements in productivity, saving spaces, reducing costs and optimizing the processing at the beginning and ending of the line.

With an important presence, INEMUR has an enormous expertise developing CUSTOM MADE SOLUTIONS for the optimization of storage processes, as well as for handling different types of containers (cans, jars, bottles, sprays, bins, pails...) made from various materials (tinplate, aluminium, glass, pet, plastic, tetra...), packaging and packets (boxes, trays, shrink-wrapping, packs...), sacks and bags, in addition to movement and fitting of pallets.

Address

Polígono Industrial El Cortijo, Cl. Esmeralda s/n
30560 Alguazas
Murcia (Spain)
