

## COMERCIAL ILORCITANA DE MÁRMOLES, S.L.

CIM

Tax ID Number: B30507065

Specialists with more than 40 years of experience

Comercial Ilorcitana de Mármoles, has more than 40 years of experience and professionalism in the marble sector, specializing in the manufacture of bathroom countertops and shower trays.

Our manufacturing is characterized by a very precise quality and technology, reaching an approximate production of between 1,000 to 1,500 daily units of product. For this we have the most advanced machinery and technology and a team of professionals who are experts in the sector, placed at the service of the client.

Our infrastructure makes us very competitive in the production and production of series countertops and series shower trays, while having the ability to develop large orders.

Our specialty in bathroom countertops and shower trays leads us to give the best in the manufacture and production of bathroom products in natural marbles, slates and compact artificial marbles, also offering "made-to-measure products" such as special countertops and special shower trays.
