

**ARCA ARTE METALICA, S.L.**

Tax ID Number: B73272130

ARCA, is a craft workshop where all kinds of metals are worked. Here, iron's hardness turns into warm and soft, as result of an affectionate handicraft work and quality finishings.

The models presented in the catalog are just samples of what we can do, in fact, make for some of our customers complete collections of occasional furniture (tables, chairs, shelves, racks, etc.). The company was founded in 1985 from another studio craftsman with extensive work history. From this knowledge experiences emerges that is not part of the theory of textbooks but of everyday life. This experience is reinforced with the proper equipment . We have managed to unite the old and new, experience and theory, fantasy and reality and here we are with unique furniture, rather than bulk series ours is the spoiled piece for those who know how to appreciate the difference and with a price in terms of its quality that is excellent. We are at your service.

All models shown at the catalogue are just samples of the products we can manufacture. In fact, we manufacture complete collections of auxiliary furniture for some clients (tables, chairs, shelves, coat stands, etc.).

Company was founded in 1985, and comes from other craft workshop with a long experience. These experiences have given all they know, things we do not find in any book, but belong to daily work. All this is reinforced with the use of the necessary equipment for an adequate mechanization. We have managed to join old and new, practice and theory, fantasy and reality. And here we are producing just a few pieces of exclusive furniture, "pampered pieces", for those who appreciate them. We have fair prices, in relation to product quality. We are at your disposal. Thanks.
