

SHIRO HELMETS, S.A.

Tax ID Number: A30373724

SHIRO HELMETS, S.A. is run by a team of experienced professionals who have been in the business for over 20 years. The firm is equipped with techniques and equipment of the most advanced technology, benefiting from the highest quality of paint and glaze application. They have continuously been supplying high quality helmets since June 1993, when they released their current line of products. Shiro Helmets, S.A. offers an extensive catalogue of designs, which include the most advanced models in INTEGRAL, JET and CROSS. All their products comply with the most recent and strictest approval regulations under ECE 22.05. Their products are highly demanded both by the national and international markets. SHIRO is well established in the foreign market, where it partners with leading companies distributing motorcycling accessories throughout Europe, Central and South America, Asia and Africa. They are currently working on expansion policies including attendance at competitions, fairs and organized commercial trips, among other plans. The company shows great interest in attending key events for their industrial sector, including Motoshow (Barcelona, Spain), INTERMOT (Munich, Germany), and Eicma (Milan, Italy).
