

ANDRESBOLUDAESPEJO

ALFARERIA BOLUDA

Tax ID Number: 77504538N

This pottery firm has a long history of producing handcrafts, now in their fourth generation of business. Andres, the current owner, acquired the knowledge passed on by his predecessors and finished his training as a potter with the extraordinary mastery of Bartolome Bellon. His focus lies in glazing, decorating underneath and over glaze finishing and preparing the pieces by single and double kiln-firing. The company purchases high quality clay and uses the pottery wheel, sobadora, pressing machine and other tools, finishing each product in a gas-fired kiln. The firm distributes products regionally, nationally and internationally as well.
