EL LOMO

Tax ID Number: B73227241

In 1985, a group of farmers settled in the Natural Park of Sierra Espuña and in the Valley of Guadalentín decided to unite us in order to commercialize our products, seeking to gather both high quality fruits and an agricultural experience that went back more than three Generations. With the passage of time, the growing concern for the environmental health of our growing areas, which are in a privileged natural environment, and the intention to offer a truly natural product that, besides being tasty and nutritious, was healthy, generated That in 2003 we founded EL LOMO TRADING, SL A company dedicated exclusively to the commercialization of organic citrus (lemons, oranges and clementines), as well as mini watermelons.
