COFRUTOS, S.A.

Tax ID Number: A80396179

COFRUTOS was started up in 1963 and is dedicated to the production, packaging and marketing of fruit juices and cremogenated fruit nectars and wines. It grows its own raw materials, buying and carefully selecting all the varieties of fruit to obtain maximum quality in all its products, with a clear vocation for the future with regard to production facilities, management and customer service. All this has made COFRUTOS one of the most competitive companies in today's market, with a market quota of approximately 9%. The firm is currently among the top 4 brands on the national fruit juice and nectar market.
