TURBAS Y COCO MAR MENOR, S.L.

Tax ID Number: B30537930

TURBAS Y COCOS MAR MENOR was created in order to offer a quality alternative in a new product within the agricultural sector: coconut fibre. The company consolidated as reliable importers, processors and distributors of coconut fibre. We established a company profile which was, until then, unavailable on the market: developing, maintaining and increasing innovative technology. All this has enable the company to offer a greater product range adapted to customer needs. As well as the main product, the company distributes other products such as peat, perlite, vermiculite and plastic pots. All products are related to the horticultural sector.
