COMERCIAL J. HUETE, S.L.

Tax ID Number: B30445738

J. HUETE was founded in January of 1995. Currently, the business is dedicated to both production and sale of products for the agricultural industry. The firm owns an industrial complex, where greenhouses, heaters, thermal screens and humidity systems are produced, as well as a shipping area, testing center and exhibition area. During 2001 the firm was honored with recognition by experts in agroclimatic engineering for greenhouses, who recommended the model "GOTICOS" instead of the traditional multi-tunnel greenhouse. During the system's first year, 45Ha have been sold in the national market to customers like Semilleros Confimaplant, Semilleros Cristalplant, Semilleros La Aparecida, Semilleros Álvarez, Agrodolores, Surinver, Centro de Experiencias Las Palmerillas, etc. The firm has a department outside of Spain, with projects in Latin America, Africa and China, while also creating partnerships with Spanish firms dealing with the international agricultural market. The company is currently in the process of applying for ISO 9000 quality certification.
