

MACOANSAL, S.L.

Tax ID Number: B30567028

This firm is located in Bullas, Murcia, and creates products directed towards food processing companies throughout the country, offering a wide selection of machinery adapted to their needs. The company's working philosophy is based on responding to the requirements of every client through performing viability studies and posterior manufacturing of equipment capable of carrying out any type of packaging or product formation. Equipment for filling products, weight-controlling machinery, paletizing/depaletizing systems for all package types, washing and product preparation equipment, lifters and interior transport systems are all included in the product line. The company directors invest in their policy of excellent customer service, while maintaining sustained growth in business activity within the national market.
