

CENTRAL QUESERA MONTESINOS,S.L.

MONTESINOS

Tax ID Number: B30358477

Central Quesera Montesinos, S.L. was created in 1978 in Jumilla, Murcia, dedicated to cheese production. In manufacturing different types of cheese, the firm works within 1,200 square meters of facilities to produce 700 metric tons per year. Part of the installation is allocated for EU-certified quality control equipment. The best competing factor of this firm is the quality-price relationship in each distinct variety of cheese, offering goat cheese as the most popular product. Their most valuable business aspects include sound and respectful trade agreements with all providers and collaborators as well as a strong respect for the environment and all current legislation. Research, development and innovation form a significant part of the company's mission.
