

BODEGAS BALCONA, S.L.

Tax ID Number: B30547038

Bodega Balcona is a winery of recent creation and with vineyards in the Aceniche Valley whose soil, microclimate and altitude (average: 825 meters) are perfect for vine farming. The winery's first vinification, which dates back to 1998, provided excellent results for the Bullas D.O. Bodegas Balcona is known for its proximity to the vineyards which means grapes preserve all their properties; its technology, which combines tradition with the latest wine-making techniques; its American and French (70% Allier) oak casks in which wine is carefully aged; and its exclusive production, limited to 50,000 bottles per year. The prestigious Parker ratings give Balcona Winery 90 points.
