FEYCSA is a non-profit company set up in order to promote social and work integration for disabled people.

Through its own stationary brand - LABOR VIVA ¿ our company offers many fully customizable items , hand crafted but using the latest technology processes, and of the highest quality designs and variety of styles.

Competitive prices and personalized service

We are designers and manufacturers, and so we can meet any size of order and offer different options to customize diaries , notebooks and other items according to the needs and budget of the client.

We provide our partners with a Distributor Price List, according to the Terms and Conditions for our Distributor, Minimum Turnover 200 units by year (but minimum order can be only 50 units)

Furthermore, we provide virtual software to design items in 3D with amazing results. If you would like, we can show you a DEMO

If you wish to use this service to fully customize your product, please ask for a personal quotation

We are a non profit-making company helping disabled people, so we are suitable for clients who value their corporative social responsibility (RSC). Otherwise, we can omit our logo if the distributor prefers this.

We have been working in cooperation with the best advertising distributors in Spain.

We are situated in the Region of Murcia (Spain), an area well known for export, close to Alicante International Airport and near the port of Valencia. Murcia is extremely well connected by road and has the largest truck fleet in Europe.

Labor Viva is located in an Industrial State (La Estrella. Molina de Segura, 15 kms from Murcia, where FEYCSA Head Office is located)
