ORTEGA MOBILIARIO

Tax ID Number: B73975740

We are a young company, located in the city of Murcia. We are dedicated to the distribution and sale of office furniture, and equipment in general.

Our core work, for the most part, is in the Region of Murcia and part of Alicante, but taking advantage of the network of collaborators we have, we also work at the national level.

Since its creation, the company has been evolving and growing. The task in the office has changed dramatically. Technology has generated a change of concept creating new ways and quality of life at work. Each need is different. Each space is different; each place, each work, is a space open to endless possibilities ... it is a world for professionals.
