

BODEGAS CASTAÑO, S.L.

Tax ID Number: B30078414

Bodegas Castaño is located in Yecla, where they began bottling red, rosé and white wines in the mid-1980s. Over the years, the firm has improved the quality of their wines by using innovative technologies and new wine making processes. In 1990, Bodegas Castaño began exporting and, after a few years, the company obtained a number of international awards. The modernisation of the winery has involved the construction of a new 3,000 square-meter building in which wines are made in four different stages: vinification, stabilisation, bottling and ageing.
