

## SELECT SPANISH STONE PROJECTS, S.L.

TRIPLESPROJECTS

Tax ID Number: B73915548

Select Spanish Stone Projects is more than a supplier of raw material for architecture, it is a new concept that offers aesthetic and functional solutions tailored to any project.

More than 50 years of experience in the sector and more than 50 extraction centers allow us to guarantee an excellent response capacity, continuity of supply and a large selection of own raw material of the highest quality.

We have a large selection of exclusive products, extracted from our own quarries, ideal to evoke the best design and architecture solutions. Cut to size, we have the ability to adapt our materials to any type of project
