

AGROCAVA, S.L.

Tax ID Number: B30211957

Agrocava. our firm, created in in the 80's, was originally designed to offer storage and commercialization services for cereals, fertilizers and seeds. We then decided to increase the scope of our activities and passed to offer a range of products covering the full feed for ruminants, both for goats -which is our specialty, as for cattle and sheep, offering the best queliity of whole blends, cereals and feed supplements.

As a consequence of the above, the territories covered with our services have been rapidly increasing. Currently our national markets include both the Balearic and the Canary Islands. Internationally we also cover Morocco, etc.

To us, in Agrocava, quality of the end product is of the utmost importance, and so, our facilities are continually being upgraded so as to improve our manufacturing processes obtaining thus products of the best quality. Also, our facilities are prepared for a fast loading of containers.

The Agrocava presonnel is composed by a dynamic and highly experienced team who have great knowledge of the products we deal with and, therefore, are capable of offering an excellent service to our customers.
