Manufacturing Process

Grupo ALC designs and builds directly all of their stands, it is our team of qualified professionals with a lot of experience in this business that constructs them at the various expos and events.

We first handedly control the entire process of creation and production of each of our projects.

Key Differentiating Features

Grupo ALC takes care of 100% of each project, maintaining continuous contact with the client while making any wish into a reality. This is because the whole creative and production process is carried out by our professional and experienced team.

Grupo ALC stays always at the venue during its celebration, this way we can solve any minor problems that may occur during the event with our stands.

In ALC GROUP we have a long and constant presence at the main European fairs (Germany, France, Spain, ...), which helps us make the Fair experience easier on our customers. Thanks to our experience we are able to facilitate logistics and solutions to complicated procedures. We reduce to zero the complications with your company, we do not give option to negative surprises with your stand.
