

CUMA SISTEMAS ELECTRÓNICOS, S.L.

Tax ID Number: B30546378

CUMA was founded in 1968 as supplier of electronic equipment for an specific sector: neon signs. Thanks to our efforts for innovating, we achieved soon a leading position in our domestic market. A few years later, bit by bit, we designed and incorporated new equipment to our wide product assortment.

Some of our products are marketed under CUMA trade mark, and some others are manufactured under customer or distributor's brand. We are well-positioned in Spain and Portugal, and we are working in order to introduce ourselves into other European markets, such as France and other European countries.

At CUMA we use the most modern devices and machinery for manufacturing our electronic equipment, including a SMD line with 6,000 components / hour. Our R&D Department is pioneer within electronic sector, and this is why CUMA is a company of recognized standing in terms of product quality.
