

EUROCAVIAR, S.A.

Tax ID Number: A30061816

EUROCAVIAR, S.A. Company established in 1983 for the processing and commercialization of preserved and canned fish. Since its beginning, all research has been focussed on the production of a new type of caviar (MUJJOL CAVIAR), with organic characteristics and a texture that is superior to the existing products in the market and much more versatile insofar as its usage as a sophisticated cooking ingredient. Advantageous quality-price relationship with regards to other substitutes. EUROCAVIAR currently has the largest market share in Spain (40%) and is the only producer of MUJJOL CAVIAR. Its MUJJOL SHIKRAN can be found in all specialty outlets and large supermarkets.
