

**POLYMEC, S.L.**

POLYMEC

Tax ID Number: B30041693

This company was founded in 1981 and is located in the city of Murcia where it manufactures polyester profiles. Products are reinforced by glass fiber or carbon through a pultrusion process.

Some of the properties of Polymecs polyester are: high chemical and mechanical resistance, resistance to rust, chemical agents and environmental factors, high flexibility and breakage-resistance, maintaining weight in addition to requiring little maintenance.

The firm is known for adaptability and flexibility, which allows for offering an extensive product range, varying in consistency, rigidity or level of corrosion depending on its expected exposure to environmental elements.

It is a ISO 9001:2008 certified company , adecuated of REACH reglamentation .

All products are manufactured under UNE 13706-3.
