

PLASTI CANTERO, S.L.

Tax ID Number: B73036030

Pioneer in the paste of the covers, since in 1978 Joaquin Cantero, managing director of the company, invented the automatic machine for bonding covers. Currently offer, in addition to the cover, the manufacture of plastic and flexography printed foil sacks and bags. We also take care of the sale of all our products so we avoid intermediaries, thus offering our clients a fast and economical work.
