

EGEA HILATURAS, S.L.

Tax ID Number: B30093751

This company was founded in 1942 in Cieza, Murcia, for the manufacture of esparto grass. Currently the firm is specialized in converting this material into thread and cords. Its activity is on the cutting edge of the European market, while many products are also recognized in the global market. Their 4,000m² facilities contain modern technology and appropriate machinery for maintaining production 24 hours a day. Part of production is exported to the United States, Asia and Western Europe, especially France and the United Kingdom, while the company continues to give attention to emerging markets, especially those in Eastern Europe.
