HIDA

Tax ID Number: A30047120

Since 1954, HIDA selects the best varieties of vegetables in each area of cultivation to produce the most natural range of home-made, natural sofritos. We represent the true tradition of the Mediterranean cuisine evolved to the highest quality standards, always to offer the service and trust demanded by the food market.

With increased production capacity and a strong network of logistics and distribution, HIDA has successfully established itself as a reference among the leading food brands nationwide.

A continuous effort that for 56 years has allowed us to offer both the consumer and the culinary professional, the most healthy and comfortable way to enjoy traditional cooking.

HIDA has among its main objectives an ambitious total quality project. For this purpose HIDA has recently created a Quality Department teaming up engineers and chemists, who control all production processes and their traceability, and investigate improvements in the manufacturing of our products.

To achieve this goal with the rigor it deserves, HIDA is certified in Quality and Environmental Systems ISO 9001:2000 and ISO 14001:2004 respectively by AENOR certification company.
