

## GOMARCO DESCANSO, SL.

GOMARCO DESCANSO

Tax ID Number: B73779019

Group of Spanish Companies with over 35 years of experience designing, manufacturing and selling medium and high range of items for resting.

We manufacture products aimed at Home, Baby Care, Geriatrics and Contract. Also we are able to customize our items in order to fit them perfectly with our customers' expectations and needs.

Our range of products consists in mattresses, cradle mattresses, sprung bed bases, upholstered bed bases, storage beds, articulated sprung bed bases, pillows and accessories for resting.

In August of 2015 we moved to our new facilities located in Ctra. Villena, km 3.5 . The new facility will increase our production and efficiency in business management, to place our mattresses on the market of exclusive design, advanced technology and excellence quality.

### Manufacturing Process

The change to our new facilities in August, 2015, is going to allow to modernize even more our production process, fully automated with the latest equipment that allow to come true the designed products as well as customize any product demanded by our customers in a very short time.

All this allows us not to invest in large stocks and therefore to provide to our customers high quality products, constantly updated and in perfect use conditions.

### Key Differentiating Features

Our Design Department is at the forefront of the use of materials and technologies that apply in order to adapt our products to the demand from the different segments in the Resting Sector.

Our investment in Research and Innovation become us in patent owners such as Nucol, Aquapur, Innogel and Airfresh.

Our Purchasing Department follows a strict selection process with our suppliers to whom we require the most demanding standards in quality, safety and guarantee.

Our main commitment is a Top Quality Customer Service offered from the identification about needs and expectations of our customers until even during the period of use of our products.
