

MAQUINARIA CONSERVERA TOMÁS GUILLÉN, S.L.

TOMÁS GUILLEN, S.L.

Tax ID Number: B30572457

MAQUINARIA CONSERVERA TOMÁS GUILLÉN, S.L., well-positioned at domestic and international level, was created in 1998. Although the activity dates back to 25 years ago.

At the present, the company is well-introduced in two different sectors but related in some way: Purchase-sale of machinery for preserve and food production, and manufacture of industrial machinery for several sectors within the food industry.

Among the services provided, the company has an Assembly Projects Department, where industrial processes are designed and developed. These processes are mainly related to the food industry both for new and used machinery. Such services are wisely combined with a warranty and a competitive price, fulfilling customer's highest demands.

At its website, you may see the steps to follow in order to manufacture several products, photographs of the machines and different designs and drawings.

New technologies development and a modern industrial structure has lead the company up to open a branch, where al kinds of production lines for food products are being developed. Coordinating adequate solutions for future development of markets, in order to make companies to achieve the maximum profitability and efectiveness in every single operation.
