FITOSOIL

Tax ID Number: B30553085

FITOSOIL is a laboratory that, since 1990, contributed with his analysis and advice to permanent controls in sectors of the food industry and the environment.

We are a team of professionals and specialists with a very clear objective, to make available to our customers the latest technology to address the stringent legislative controls, as well as research and development of new analytical techniques for detection and quantification of chemical agents and biological.

Our philosophy is based on three pillars:

COMMITMENT

- Quality
- Speed
- Impartiality
- Confidentiality

SERVICE

- Management of the sampling
- Preliminary results (fax, internet, @, etc.)
- Graphical Reports
- Interpretation of results
- Consultation and advice

HIGH TECHNOLOGY

- Implementation of the latest analytical techniques
- Commissioning of new methods
- Standardized Tests
