

GAÑOPEZ, S.A.

FUENTEDUEÑAS

Tax ID Number: A30106439

This firm is located in the city of Murcia and dedicates activity to bottling water from the Fuentedueñas spring in Finca de Prado Chica, in Mula, Murcia. The spring is located in a unique landscape, within a well-developed forest. The water has been denominated for public use. The bottling plant has a packaging capacity of 36,500 m3 per year, offered in 1.5, 5 and 8 liter bottles to satisfy diverse customer needs. The packaging quality from the plant is completely respectful of the environment, since all plastics are PET (100% recyclable and ecological). The bottling process rigorously follows regulations for hygiene and safety for consumption, which means that product quality is always maintained. Another aspect that stands out is the modern technology applied within the plant in all activities.
