

## GREGAL, S.COOP.

Tax ID Number: F30036628

This cooperative horticultural society was founded in 1981 with only two full-time staff. Today, it is made up of 126 production members and 40 permanent employees (and 300-400 seasonal contracted help), for an annual production of 60,000 tons. The facilities offer a wide range of high quality products harvested, processed, packaged and sold by the society under the brands GREGAL, DULME and CALOR. The CALOR brand has become an integrated project among several first order companies within the industry. Gregal, S.Coop. is located within 42.000 square meters of facilities: 15,000 m2 of industrial buildings, 6,000 m2 of refrigerated storage, two pre-freezing chambers, and equipment for fast vacuum cooling, electronic calibration, automatic flow-pack packaging and other processes. Their gross annual revenue is approximately over 36 million euro, with 85% of revenue from exports and 15% from national sales. The cooperative's main customers are found in Germany, Holland, Switzerland, France, the Baltic States, Belgium, Italy, Poland and the United Kingdom, where Gregal has offices under the name GREGAL U.K.
