

**WINE CROSS, S.L.**

MAZA Y CERÓN

Tax ID Number: B73927170

Our company is a wine collector and a distributor of high quality Spanish wines.

Most of our wines are coming from small producers where the owners are normally involved on the elaboration of their wines. We believe that this is the way to have a result of wines with more than a good taste or technical quality: "Wines with soul and honesty"

Market today is high influenced by labels and trademarks. Huge wine makers and distributors dominate the market place so strongly that people delegate their taste in favor to the label and status. This is what we would like to fight. We believe in wines that taste to the place where they grow, the people they make and the year they born, namely "Terroir"

Based on that philosophy, we make a selection of Spanish vineries. We distribute their best wines exclusively and we offer them together with some of the best national wines.
