

PASTELERÍA VIGALA, S.L.

Tax ID Number: B30234652

Pastelería Vigala was born in 1990 and since the beginning we have been passionately devoted to the production of our pastries and buns which can successfully challenge the most difficult test: the recognition and the confidence of our clients.

We are specialised in manufacturing products of fermented dough (to be baked or fried) such as croissants, Mallorcan "ensaimada", xuxos...as well as choux-pastries, coconut biscuits and puff pastries.

Among our wide range of products we highlight the "ensaimada" for its traditional and totally handmade receipt.

In addition we all the quality tests are currently under way as to offer within a short period of time new references such as fruit-filled pastries, American cookies and terminated frozen products.

Our packaging formats are : trays, single-wrapped items or bulk goods.
