

BODEGAS BLEDA, S.L.

Tax ID Number: B30148795

Our winery is wonderfully located in a region with a rich cultural winemaking heritage. Bodegas Bleda is a family company whose origin dates back to 1915, the year it was founded by Don Antonio Bleda. As a predominantly exporting company, during the decade of the 1940's most of our production was already being exported mainly throughout Europe. Bodegas Bleda belongs to the Designation of Origin Jumilla, situated in Eastern Spain, halfway between the Mediterranean coastline, the cradle of wine, and Castilla La Mancha. The winery's greatest treasure is our property, 250 hectares (617) acres of vineyards, cultivated fulfilling the criteria for ecological agriculture. The predominant variety is Monastrell, of Spanish origin, which is grown throughout the Mediterranean coastline. Currently, Bodegas Bleda is characterized for producing young wines and high quality vintage wines. These have been recognized in numerous national and international competitions and are available in most of the world.
