JUAN NAVARRO GARCIA, S.A. Company with more than 150 years in the market that has been experimenting a sustained growth for the last 15 years, mainly in the European Union and the Far East, with clients in Central and South America, Australia, Asia, Canada, Europe and Eastern Europe. Our manufacturing plant has the most advanced machinery of the sector, with metal detectors and electronic magnets in the lines of packing, and a plant of sterilisation by steam injection where we can obtain less than 10.000 ufc/g TPC if requested by the customer.

All products go through strict quality and sanitary controls. We do have our own laboratory which allow us to control the product throughout all production process. All raw material received for production goes through a stric quality control before it enter into the production lines. Our extraction plant works exclusively by Hexane

We are ISO 9001:2008 and BRC Certified with grade A.

We are working with organic paprika powder since 2003.

All our products are Kosher certified.
