

TUBOS Y FLEJES SL

Tax ID Number: B30232037

The TUBOS Y FLEJES company was founded in 1991, starting its business activity 1 year later. In 1993 the entire share capital was acquired by the firm BORNAY which thus became part of the group.

The main target sector of our products is construction, but in recent years, we have opened new fields in sectors such as greenhouses and especially renewable energies.
