DE JUAN

Tax ID Number: 22475727N

We are a company founded in 1985, formed by a team of more than 40 people.

We are dedicated to the elaboration of cakes of sweets, prepared infantile and traditional products of dehydrated fruits; all this done in a totally artisanal way.

We give our clients the best quality and the widest variety of the market, as a result of our daily effort and enthusiasm, that is why we are leaders in the national market and we are already in more than 30 countries.

Thanks to our design department, we are innovating and creating new models continuously, because one of our main principles is that all our designs are original, so José Pelluz does not do imitations.

We adapt to the needs and tastes of our customers, because thanks to them we improve and grow every day.
