Tax ID Number: B30449417

MADERARTE SELECCION, S.L. Company specialized in the manufacture of classical and modern chairs and armchairs with more than 20 years experience in the sector. Our production processes are totally automated of which we should mention several technical processes that guarantee the high quality of our products: Wood is shaped with a direct cut, the drying plant is automatic and works by aerial chain, the preparation and varnishing system is totally automatic, chairs are sanded by hand, all edges are rounded to avoid splinters, the chair brackets are assembled, the chair backs are made with moulded injected foam. Furthermore, three quality controls applied throughout the production process assure a perfect finish. Our product line consists of 50 different models in all colours tested in our own laboratories and a wide range of fabrics to satisfy the most exacting customer. The personalized treatment of our product due to the wide range of possibilities and combinations we can offer makes MADERARTE SELECTION, S.L. a leading company in its field.
