# PUERTAS PADILLA, S.L.

Tax ID Number: B30668602

The firm is dedicated to produce fire doors and also a large variety of patented fire-resistant products which are a guarantee for maximum security in case of emergency. Their doors' safety is supported by approval testing performed by LICOF (Laboratory for Fire Research and Control) and by LGAI (General Laboratory of Research and Testing). These two labs have approved Puertas Padilla products for maintaining levels of fire resistance up to 120 minutes. In keeping with their policies for progress and expansion, the firm exhibits its products at some of the best-known fairs for their sector, such as Construmat, Sicur, Veteco, Batimat, and Saiedue. Currently is restructuring various departments as part of an important, creative project aimed at qualifying for ISO 9002 and obtaining quality certification for their products.
