CAFÉS GLADIADOR

Tax ID Number: 22443835K

Cafés Gladiador es a coffee roasting company located in the Murcian locality of Mula. Cafés Gladiador provides a roasting process which gives coffee with a full flavour. When green coffee grains are roasted, their size increases, changing their colour and density. Since the grain absorbs heat, its colour changes to yellow and then brown, followed finally by a dark and oily colour. The roasting process continues to darken the grain until it is removed from the heat. The whole roasting process includes cleaning, roasting, cooling and packaging. We work carefully on each of these stages. Our line of activity is designed to offer coffee drinkers: flavour; aroma; quality; service; guarantee; good prices.
